Chairman's Message – 'Welcoming Past and Future Exhibitors'

G'day everyone,

*It is with great pride and anticipation that I welcome you all, past exhibitors, future partners, and supporters, to **Agfair Broken Hill 2026**.*

*We are pleased to announce that our next event will be held on **Friday the 1st and Saturday the 2nd of May, 2026**. We invite you to save the date and be part of another exciting chapter in our Agfair story.*

*In 2024, we saw **over 200 exhibitors** take part, and more than **5,000 people** came through the gates across the two days. Those numbers speak volumes about the strength, resilience, and appeal of our event, not just for the Far West, but for rural and regional Australia as a whole.*

*To our **returning exhibitors**, thank you for your continued support and belief in what Agfair represents. Your presence year after year is the backbone of this event's success.*

*To those **joining us for the first time in 2026**, we extend a very warm welcome. You'll be stepping into a long-standing tradition of connection, innovation, and community.*

Since our beginnings in 1990, Agfair has proudly grown into one of Australia's most respected biennial field days. For over three decades, we've celebrated the best of the bush, bringing people together to share knowledge, showcase products, and strengthen networks that keep rural communities thriving.

The committee is hard at work to ensure 2026 is our best event yet, with more interactive displays, demonstrations, and opportunities for exhibitors and attendees alike.

Whether you're launching new technology, offering vital rural services, or simply looking to engage with the community, your involvement plays a key role in the continued success of Agfair.

*We look forward to welcoming you all to **Broken Hill on the 1st and 2nd of May, 2026**, for what promises to be another fantastic event in the outback.*

Warm regards,

John Allison

- CATERER'S/FOOD VENDOR INFORMATION –

Agfair 2026 will see a change for food vendors and caterers with the introduction of the Food Court Expressions of Interest. The Food Court is centrally located at the heart of the Agfair site and aims to create a vibe with a flurry of food and drink choices, seating areas and live music.

The idea is to have all vendors facing inward toward the seating area, with a picket fence surrounding the circumference (behind the vendors), strung bunting across the area, chairs and tables and hay bales for seating.

Allocation of approved catering outlets and food vendors will be made from the expressions of interest received prior to **1st April, 2026**.

Each caterer/food outlet will be allocated a 3m frontage x 5m deep site. There will be ample space for those that require a larger space to store their truck or alike.

No exhibitor or person shall be permitted to publicly infringe the rights of the caterers approved by the Agfair Broken Hill Board, nor sell food and/or drinks for consumption at Agfair Broken Hill. All caterers and food vendors must comply with current health regulations and submit the Application to Sell Food and/or Drink at Temporary Events | Broken Hill City Council form.

Keeping in line with NSW's single-use plastics rules, all single-use plastic straws, stirrers, cutlery, plates and bowls (without spill-proof lids), expanded polystyrene food service items like clamshells, cups and trays are banned.

Sustainable Alternatives:

- Paper, bamboo or metal straws
- Wooden or reuseable cutlery
- Compostable cardboard containers
- Reuseable bags made from fabric, jute, or recycled paper

If you would have any questions or would like to discuss the new Food Vendor format, please contact Summa Rayner via email: secretary@agfairbrokenhill.com.au
